SKILLS

Adept · Self Learner · Positive · Curious · Diligent · Versatile · Modern C++ · ECS · SIMD · ECS · OpenGL · Vulkan · Unreal Engine · Linux

LANGUAGES

Spanish
Native or Bilingual Proficiency

Valenciano
Native or Bilingual Proficiency

English
Professional Working Proficiency

INTERESTS

C++ · Tech Art · Learn · CG · Computer Science · VFX's · Video Games · Particle Systems

EDUCATION

Bachelor's Degree
IES Cotes Baixes

09/2016 - 07/2018   *Alcoy, Spain*

Courses
- ☐ Technological Baccalaureate

University degree
Universitat d'Alacant

09/2018 - Present   *Alicante, Spain*

Courses
- ☐ Degree in Multimedia Engineering

ORGANIZATIONS

Delegación de Estudiantes de la Escuela Politécnica Superior (09/2018 - 07/2019)
Multimedia Engineering Degree Delegate

Asociación de estudiantes MultiTec UA (09/2020 - 07/2022)
President of the association

CERTIFICATES

Cambridge English Level - B1 (02/2018 - 07/2018)

PERSONAL PROJECTS

CPU Demo - MK1 (09/2022 - 10/2022)
- ☐ Mathematical graphic effects tech demo running by CPU.

CPU Particle System (10/2022 - 12/2022)
- ☐ Particle System running by CPU with SIMD.

No Gas Racing! (11/2021 - 07/2022)
- ☐ Game developed from scratch with C++, in which I learn about ECS-like engine and I build a Graphical Engine with OpenGL from 0.

Aliens'n Tanks (09/2021 - 11/2022)
- ☐ Game developed for an Amstrad CPC 464 programmed in assembly Z80 from scratch.

ACHIEVEMENTS

Multimedia Database Design (02/2021 - 07/2021)
Honorary certificate in Multimedia Database Design at the University Of Alicante.

Advanced Graphics Techniques (02/2022 - 07/2022)
Honorary certificate in Multimedia Database Design at the University Of Alicante.

UA Games Dev Con (03/2022 - 03/2022)
Organizer of video game event "UAGames DevCon" at the University of Alicante
